

MARCH UPDATE

News you can use in 30 seconds or less!

4Front® 2 Feature Focus

Feature #3: 4-pole motors

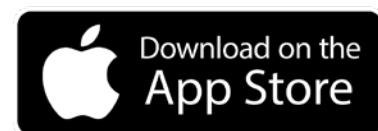

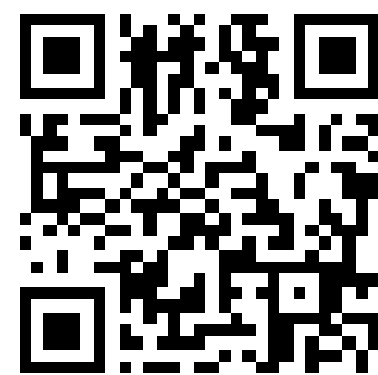

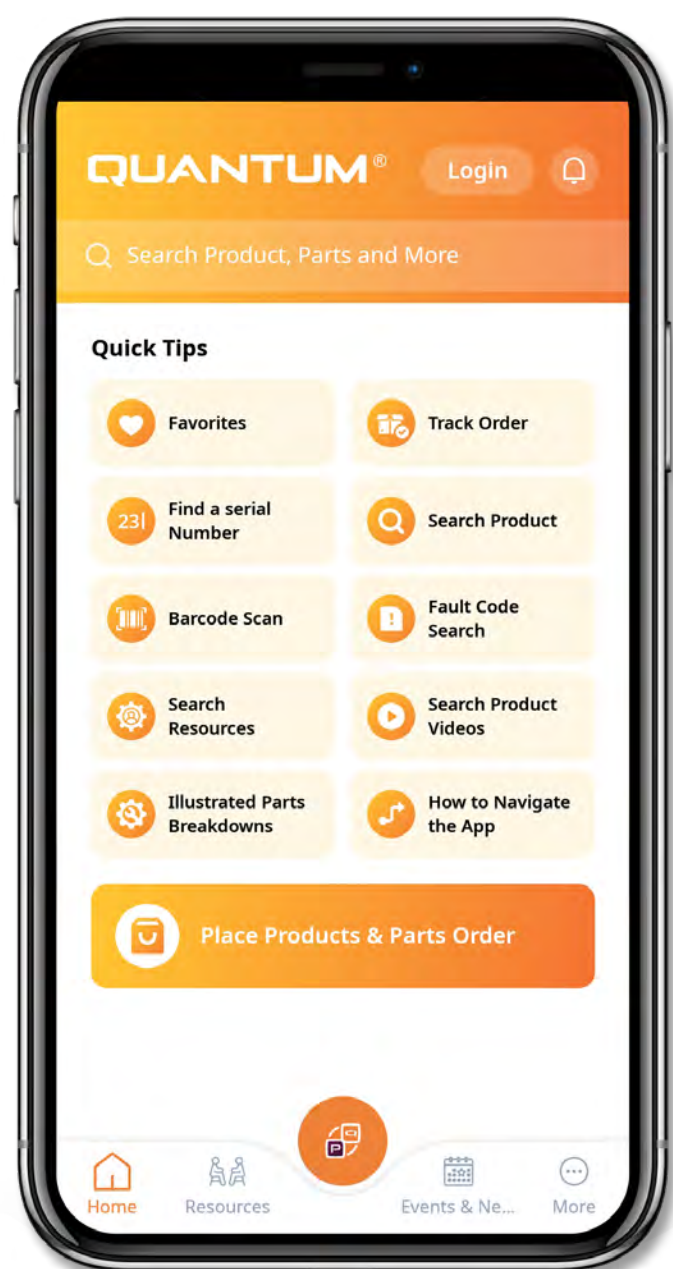

- Bigger motors
- Allow for higher, continuous power capabilities
- Offer more torque at lower speeds

We're App-solutely Excited

An update to the PQ-365 app is coming soon! You'll be able to experience the newest features, such as:

- Education section
- Quick Tips search bar/one-tap keyboard
- Serial number/order tracking quick search
- User survey

PQ-365

It's the one-stop app for Pride® and Quantum®, wherever you go, whenever you need it.

Ch-Ch-Changes

In a recent update, CMS has added additional codes to the list of items requiring prior authorization, including codes for scooters/POVs.

- For dates of service beginning April 13, 2022, Medicare will begin prior authorizing scooters (HCPCS codes K0800-K0802, K0806-K0808)
- Prior to April 13, 2022, providers can submit prior authorization requests in anticipation of the requirement (actual date TBD)
- The program and time frames will be essentially identical to the ones currently in place for power wheelchairs

FDA Class II Medical Device
