

Pride Learning Institute is Holding Technical Webinars!

August 26, 2022

Click on the date and time below to register!

These courses are designed for Technicians, Seating Specialists and ATP/SMS.

They may receive IACET CEUs, but not State PT or OT Accreditation.

Technical - Let's Get Back to Basics! Common Troubleshooting Instructions (1hr/0.1CEU/1.0CEC): This course is designed to assist a technician in some common troubleshooting scenarios. It goes through common error codes, using the handheld programmer or a Multi-meter and more simplistic approaches to narrow down the troubleshooting. Topics include:

No Power,
Testing out the Charger,
Motor/Brake Disconnect,
Chair stuck in Drive Lockout,
Chair will not Tilt,
Programmer does not power up,
Adjusting for a veering turn
Caster Sensor troubleshooting.

Learning Objectives:

At the conclusion of the course the participant will be able to:

1. Set their multimeter correctly to test battery voltage, test resistance and test continuity
2. Apply the EMPU approach to common troubleshooting scenarios
3. Distinguish when to use a programmer versus when to use a multimeter

Pre-requisites: None

Friday 8/26/2022 - 9:00 AM - 10:00 AM (EST)
