

The Quantum® Advantage

Order all your Quantum® and Stealth® components through a single invoice!

- Save on multiple shipping costs
- Complete chair, including accessories, arrive together at the same time
- Improve eval to delivery time
- Less touch = better outcomes and enhanced efficiencies

We Got Your Back

Fall is here, so darkness comes earlier. Here are three reasons why your clients need the Quantum® backup camera, which offers infrared capabilities.

- See cars, pedestrians and cyclists coming up behind them
- Reverse their chair safely in parking lots and garages
- See furniture, pets and other obstacles when backing up in the home

The Quantum backup camera is available with most bases, seating configurations and electronics.

Newsflash

- The single actuator articulating foot platform is now available on TRU-Balance® 3 static and power recline seating
- Pediatric leg length option is now available

What's Your Favorite?

We spoke to our brand ambassadors and asked them to tell us their favorite thing about living life at iLevel.
