

Pride Learning Institute is Holding Technical Webinars!

December 21, 2022

Click on the date and time below to register!

These courses are designed for Technicians, Seating Specialists and ATP/SMS.

They may receive IACET CEUs, but not State PT or OT Accreditation.

Technical - The Delivery Fitting: Installing & Adjusting Positioning Components (1hr/0.1CEU/1.0CEC): This course will review the proper size tools that are needed to install and make adjustments of positioning components, TB3 fine depth adjustment, and adjustments on the Articulating Foot Platform (AFP) upon delivery of a Pride Quantum Power Wheelchair. It is important for a technician to have knowledge on how to install and adjust various components on a Quantum Power Wheelchair to meet the end users' needs and comfort.

Learning Objectives:

At the conclusion of the course the participant will be able to:

1. Identify at least (3) common size tools that are needed for installing/adjusting positioning components.
2. Manipulate positioning components to better service the consumers need.
3. Identify (2) positioning components that uses this two different hardware.

Pre-requisites: None

Target Audience: Technician/Repair Specialist

Wednesday 12/21/2022 - 2:00 PM - 3:00 PM (EST)
