

NOVEMBER UPDATE

News you can use in 30 seconds or less!

Remember This

TRU-Balance® 4 with Anterior Tilt is now available for quoting! It offers up to eight customizable memory seating positions, which can:

- Utilize positional feedback to recognize positioning
- Recall the saved position of all actuators
- Offer the choice of sequential or synced movement for each seat function

Benefits of Bluetooth®

Standard on Q-Logic 3, Bluetooth® technology provides many benefits to your clients for greater independence to operate their tech gadgets and appliances, such as:

- Smart phone, computer, or tablet
- Television, lights, fan, or thermostat using infrared (IR) remote controls
- Front door cameras or smart door locks

Plus, ATPs and clinicians can program a power chair remotely, saving them a trip into the field.

FDA Class II Medical Device

Hello, Operator

Technicians can access Basic Operating Instructions (BOIs) on the PQ-365 app under Resources, located on the left side of the bottom navigation. BOIs are a great tool to educate consumers about their product.

SCAN NOW TO INSTALL

PQ-365 is the one-stop app for wherever you go, whenever you need it.
